

Highpoint Deck Lighting LLC Limited Lifetime / 5 Year Limited Warranty

* Powder coated finishes, galvanized steel and aluminum fixtures are warranted not to rust or paint to flake off for a period of 1 year.

Highpoint Deck Lighting LLC warrants its products against defect in material and workmanship. Without charge, Highpoint Deck Lighting LLC will either repair or replace (Highpoint Deck Lighting LLC reserves the right to decide between repair or replacement) any properly installed Highpoint Deck Lighting LLC product which fails under normal operating conditions for a lifetime, provided it is returned to the factory, transportation prepaid, and our inspection determines it to be defective under the terms of this warranty. The lifetime warranty does not apply to replaceable light bulbs or sockets which are warranted for one year. This warranty does include glass breakage under normal and properly installed use. If glass breakage occurs new glass will be sent to client or client may return fixture prepaid to Highpoint Deck Lighting for repair. All freight costs incurred will be paid by client. Glass broken due to over tightening screws during installation is not covered by this warranty. Replacement glass for step lights may be purchased from highpoint deck lighting for \$3.00 plus freight. This warranty applies to installation in saltwater environments as well as installation in direct contact with ACQ lumber (aluminum, galvanized steel, and powder coated fixtures excluded). Our brass, copper and stainless steel are warranted not to rust, corrode or fall apart for the life of the deck it is installed on.

The warranty covers only equipment exclusively manufactured for Highpoint Deck Lighting LLC and does not extend to transportations, installation or replacement charges; nor does it apply to any equipment of another manufacturer used in conjunction with equipment. Highpoint Deck Lighting LLC offers a LIMITED LIFETIME WARRANTY on all chemically applied finishes, Solid Copper and Stainless steel. These finishes will vary, continuing to patina over time, but will be warranted NOT to peel, flake or chip off. Powder coated finishes, galvanized steel and aluminum fixtures are warranted not to rust or paint to flake off for a period of 1 year.

Highpoint Deck Lighting LLC fixtures are manufactured to meet or exceed United States and Canadian Underwriters Laboratories standard 1838 for low voltage outdoor lighting.
